

Nork with Burgh Heath: July/ August - Schedule for Churches Beginning to Re-open / Zoom Events

With the Government & Church of England announcements that churches can begin to open their doors again, we are now looking at a gradual move back into the churches, which will start with them opening for private prayer towards the beginning of July and then build from there.

The following overview shows both 'in church' and 'on zoom' events for July and August 2020.

All plans are depending on the 'R rate' continuing to go down and the Government continuing to deem it safe for us to progress. If there is a local spike - or something changes in the advice, plans will have to be adjusted.

***** In addition to this, we will continue to send out 'online worship' on a Saturday evening, ready for everyone to access on a Sunday - whether the churches have opened or not. Weekly news emails will continue in their current format.**

***** A scaled back pastoral support system will remain in place for those who are particularly vulnerable or isolated at home - and paper worship resources will continue to be sent to those who do not have the internet**

***** Weddings and funerals are now allowed in churches (with limited numbers, social distancing and safety regulations in place). These will be arranged on a case by case basis. Guidance on baptisms is evolving.**
