

Hi,

Our Harvest offerings of praise

This year, as part of our harvest celebrations, we are holding an online service using YouTube. This is being put together by members of the Messy Church at Sunday Morning Live! Team.

The service will be premiered at 3pm on Sunday 27th September. There will be the usual mix of songs, stories, prayers, crafts and activities that the whole BIG church family can take part in on the day – including some cooking that we can all enjoy in our homes.

We need **EVERYONE** to help in creating a **HARVEST OFFERING PRAISE**.

If you'd like to take part, it's as simple as this:

- 1. Capture some sort of visual of something related to harvest you want to give thanks to God for.**

This could be:

- a photograph video or picture
- anything from nature, something in your home, in the shops or something you see on any daily walk you take.

2. Capture this on your phone or camera and then

- 3. Send your offering.**

I. **click on this link: [Harvest Offering of praise](#)**

Follow the instructions on the screen.

- 4. You're all done**

You will get a message on the screen informing you that your file has been uploaded.

The deadline for submissions is **9am Monday 21st September**

This will then all be combined together into a massive praise offering that we can all watch together on YouTube.

If you have any queries, please get in touch with Fiona curate@norkwithburghheath.com or by phone 01737 212920.
