

To all our friends at St Mary's and to our new friends at St Paul's Nork

As we are moving to Shropshire on 30th September to be nearer to all our grandchildren (12 of them in 2 families) we wanted to say a goodbye to you all - we will miss you and the parish horribly. We are so sad that Covid-19 makes it impossible for us to say our goodbyes personally, as we would have liked.

Thank you, all of you, for your real friendship and support. We have worshipped at St Mary's almost since it was adopted by Howell Hill and enjoyed the wonderful atmosphere in God's family there. We have had the extra fulfilment of many of you at St Mary's joining us on the journey of the Marriage Enrichment Course and a few of you working through Marriage Preparation. We have very fond memories of the deep discussions we have had with so many of you. God bless you all.

We had considered downsizing locally for several years but, for some reason that we didn't understand at the time, The Lord had other ideas and encouraged us to stay longer but, when our second family moved north last year, we knew the time had come. We are pleased to say that we have found a chalet bungalow on the outskirts of Ellesmere within walking distance of a Church which has already made us very welcome over Zoom. The Lord has now told us the plan and it was worth waiting for! All in His perfect timing!

If any of you are travelling in our direction and would like to visit we would be delighted to see you. We don't yet know our landline number but our email will stay unchanged.
