

# **The Banstead club for the blind and partially sighted**

**We are the Banstead club for the blind and partially sighted. Most of our members have some sight and some suffer from glaucoma, tunnel vision and such like. All sorts of eye problems really.**

**We meet at Swall House Epsom on the first Monday of every month (second Monday if a bank holiday) at 2:00pm, finishing at 4:00pm.**

**At the moment we can offer door to door transport.**

**We provide an afternoon tea and have a speaker or entertainer. We also have quizzes.**

**If you would like to know more, please contact
