**Bringing love to the world with**

**L I G H T S**

Christmas is a time for joy and for family. A time to celebrate the birth of Jesus who came to the world to give us eternal life.

We would like to invite you all to spread some love this Christmas by creating a festive window display, taking a photo and then sending this to us to share on our Parish FaceBook page for all to see.

You can find us by using the QR code above, searching for NBHSurrey, or you can send your photo to [socialmedia@norkwithburghheath.com](mailto:socialmedia@norkwithburghheath.com)

We can't wait to see what you come up with.
